

Notice to all our club bus passengers.

The ACCT Club Bus team have, over the last few months, been looking at the way in which we operate our club bus. This has been for several reasons, mainly due to the increased demand for the weekly trips and listening to your comments regarding both booking the trips and the problems of their availability.

So we have decided to introduce a new way for you to book your trips. As from August 2017 we will be publishing two months worth of weekly trips at a time and these can **ONLY** be booked by ringing the ACCT office on a set day and time where all our office staff will be on hand to take your calls. These trips will be reserved on a **“first come, first served, basis” only**. We hope that by publishing two months worth of trips that this will provide a bigger window and wider choice of outings and will also be a fairer way for all to book the desired trips. **(Please note: no trips can now be booked via our drivers).**

Our Club bus team are also working hard behind the scenes with some fresh new ideas. The first is to introduce a much wider choice and range of venues for you to enjoy and you will start to see these appear on the posters in the coming months. We're also looking at adding additional buses to meet the demand on certain venues and where these venues are able to accept larger parties of people.

As we develop the ideas and confirm them we will let you know and as always, we value any comments or ideas you also may have so please feel free to contact us as we're only too happy to help improve this popular weekly service.

We hope you will continue to enjoy your weekly ACCT club bus trips and we look forward to see you travelling with us.

Yours

The Club Bus Team
